Welcome Aboard Transcend Cruises

Transcend CONNECT is the first in a series of innovation-led river vessels developed and built for the new European river cruise operator Transcend Cruises. Transcend is focused solely on the full-ship charter and group travel markets; Connect and her sister ships bring a purpose-built, highly differentiated, client-branded platform to our clients, allowing a range of bespoke sailings that simply cannot be replicated elsewhere – on land or sea.

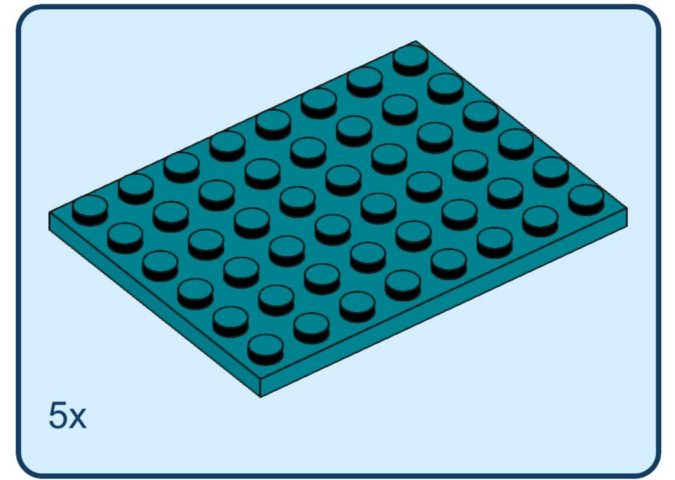

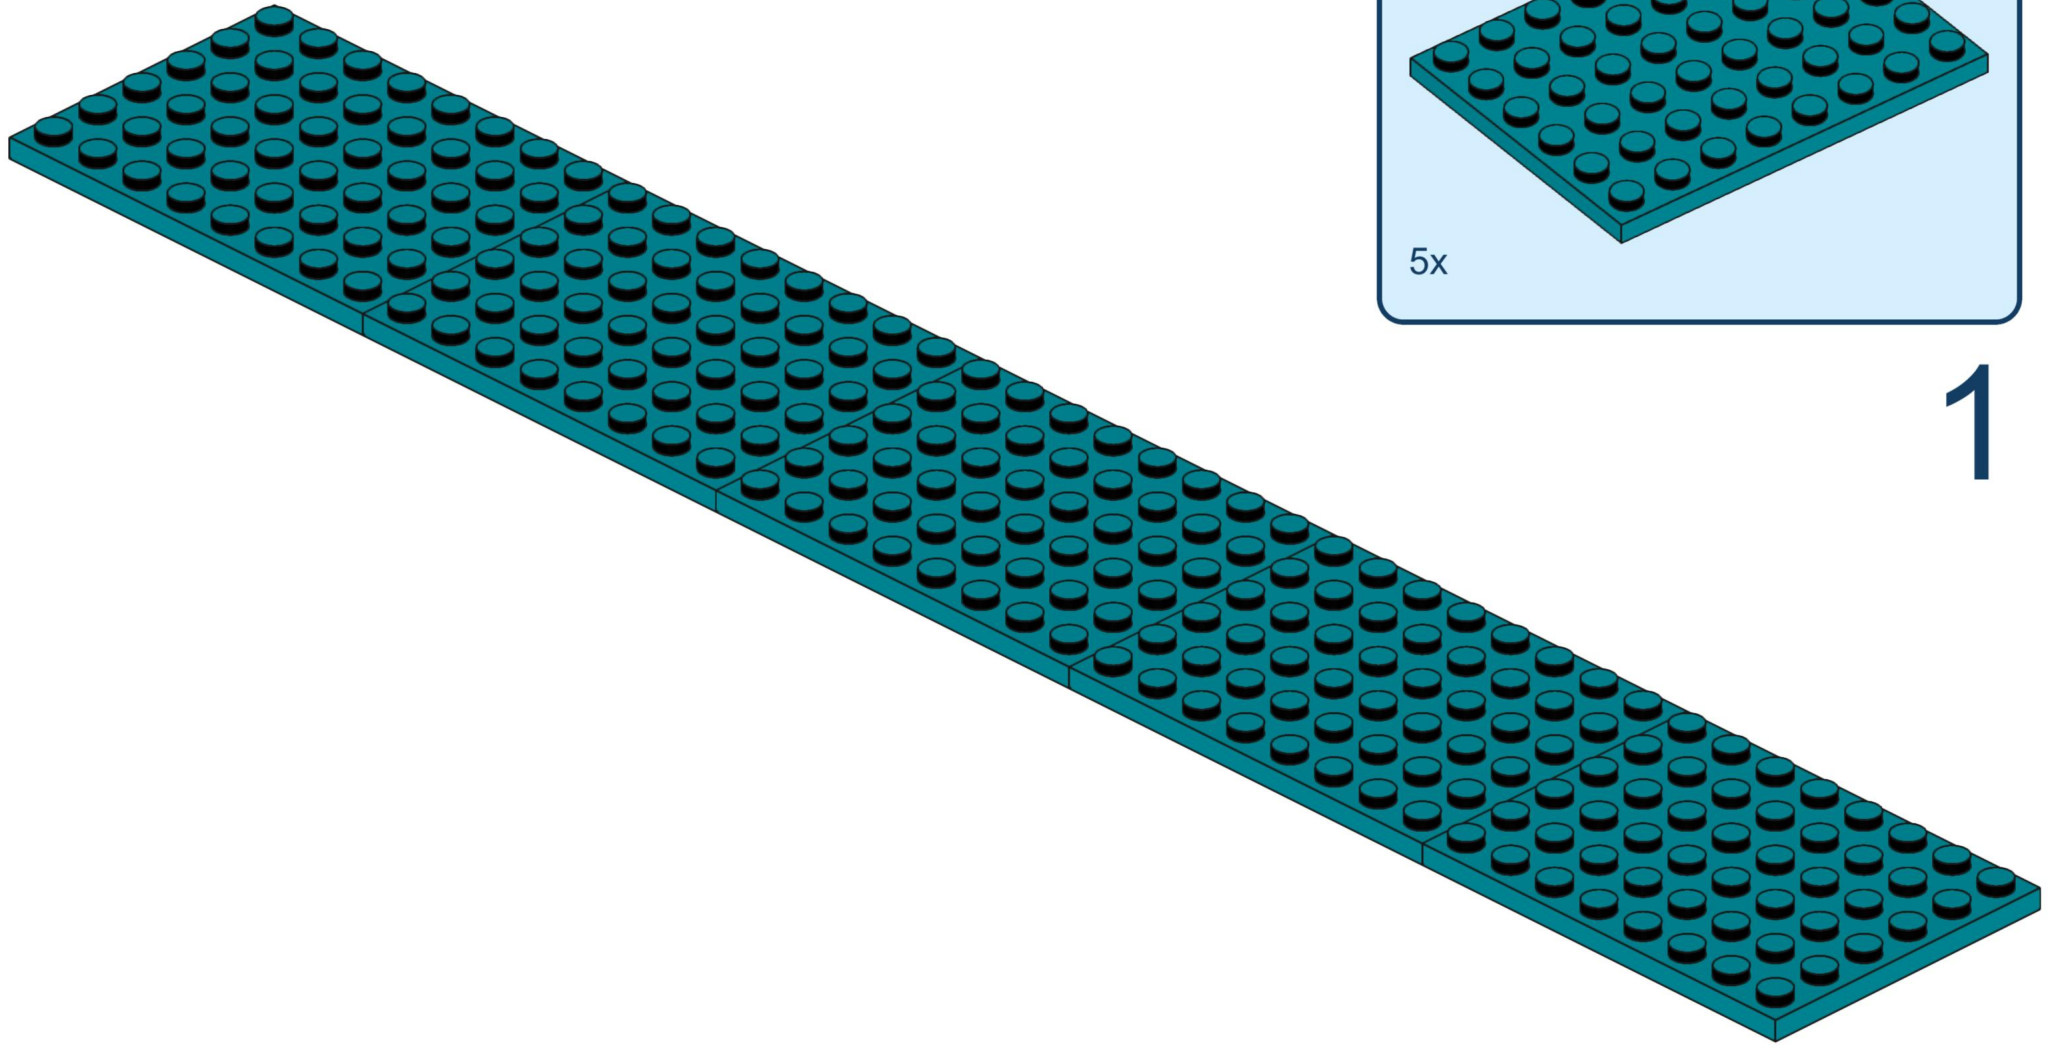

Connect launches in August 2026, with more to follow – and her unique elements, from cabin-to-suite accommodations that flexes the guest count from 60-120 passengers – the highest space ratio in the sector, even at full capacity – and multiple group and breakout spaces that can accommodate exceptionally diverse program requirements.

Designed in partnership with industry leader Tillberg Design of Sweden, and built in the storied Den Breejen Shipyard in the Netherlands, the Transcend fleet showcases a new and unparalleled level of design excellence and incomparable service in the European river market.

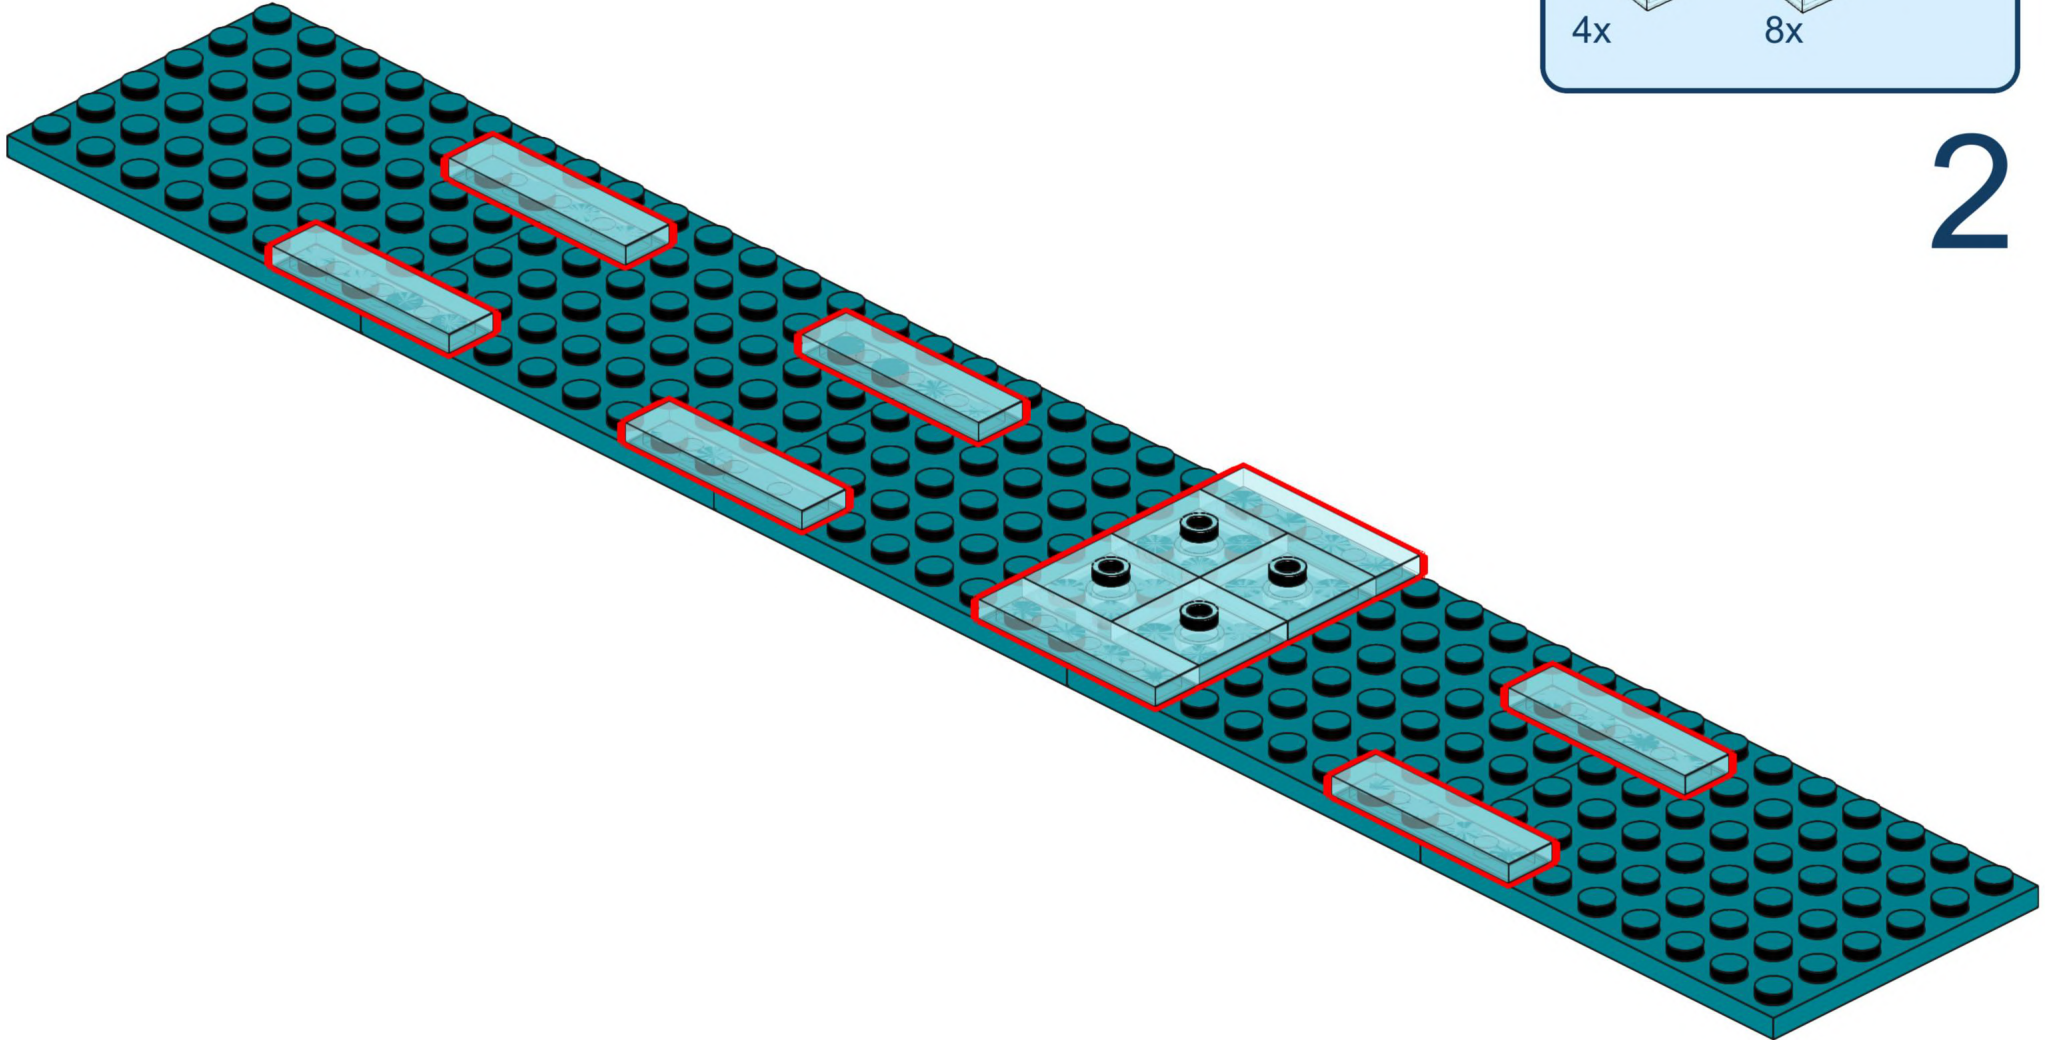

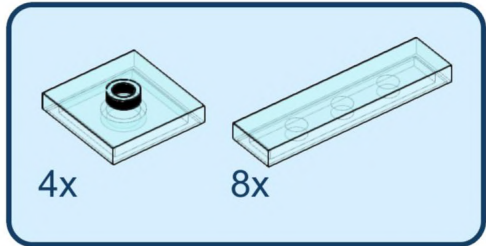

You build our ship - we build your trip.

Enjoy the creativity of this set, and we look forward to assembling the pieces of your unique voyages with you soon!
